INSTITUTO SUPERIOR DE ENGENHARIA DE COIMBRA

- B.S. in Mechanical Engineering

SKILLS

- SolidWorks (CAD, CAE)
- Mastercam
- Matlab
- AutoCAD

LANGUAGES

- English (Fluent)
- Portuguese (Native)

Instituto Superior de Engenharia
Politécnico de Coimbra

PROFILE

Motivated Mechanical Engineering undergraduate at ISEC seeking to leverage academic knowledge and hands-on experience in a professional setting. Strong advocate for critical thinking and open discourse to drive engineering solutions. Active member of Phisec´s Racing *Formula Student Team*, with a keen interest in automotive and mechanical systems.

LIFE EXPERIENCE

Phisec Racing

Mechanical Team Leader SEPTEMBER 2025 - PRESENT

- Since September 2025, I have assumed technical leadership of all mechanical departments, prioritizing strategic planning and resource management to ensure the project's success and feasibility.

Junior Engineer MAY 2025 - SEPTEMBER 2025

- Member of the Chassis Department, developing practical engineering skills in a team setting driven by professional workflow methodologies.

Bosch Home Comfort, Aveiro

Internship in Production Engineering JUNE 2025 - AUGUST 2025

- Assisted in the commissioning of a new assembly line for air-to-water heat pumps, ensuring a smooth transition from setup to full operation.
- Analyzed production challenges to reconcile output targets with strict quality regulations and operator safety (HSE).
- Optimized workstation ergonomics, improving operator comfort while maintaining process efficiency.

Rowing National Team (Portugal) 2022-2023
Coupe de La Jeunesse

- Achieved 5th place overall in the Men's Quadruple Sculls at the Coupe de La Jeunesse, a premier European rowing regatta for Under 18

National Rowing Champion 2020-2021
Colectividade Popular de Cacia

- Won the National Rowing Championship in the Men's Double Sculls (Under 16)

Volunteer Firefighter Cadet 2012-2018
Youth Firefighter Program | Bombeiros Novos de Aveiro

- Trained in First Aid and firefighting techniques, gaining a deep understanding of how seamless teamwork drives mission success and operational safety.
